

IN EAST CENTRAL BRISTOL

Mission Statement:

Creating communities of wholeness with Christ at the centre and to work together to provide opportunities to act as a visible Christian presence.

Please thank God for:

At the agm in June, we officially changed our name to Churches Together in East Central Bristol. We have a new mission statement above and a commitment to include other churches in east central Bristol in our joint events.

Our harvest produce sale, which raised 200.00 to be split between the local Julian Trust for the homeless and the international Red Cross.

Please pray for:

The churches together agm forum meeting. We have 2 forum meetings per year, the agm and an ordinary forum meeting for members of our congregations to come together and join in the discussion on the way forward. The next forum is set for Wednesday 28 November 2007, at 6.45pm, at the shore gallery, with a light buffet available. We will be discussing and formulating a research team into inter faith issues and debating environmental concerns and where we can all make a difference collectively within the churches and the wider community. We look forward to seeing you at this meeting.
